

CALLING ALL BUSINESS OWNERS WHO IMPORT FROM ABROAD

WHAT?

The City of Gallup and the Greater Gallup Economic Development Corporation (GGEDC) seek a conversation with business owners who import goods from abroad in support of efforts to establish the Gallup Municipal Airport as a User Fee Airport and Foreign-Trade Zone, which will provide a US Customs and Border Protection (USCBP) Officer to clear international inbound cargo.

WHY?

The ability to clear international cargo in Gallup offers unique financial savings for companies that import from abroad, and supports efforts to establish Gallup as a national location for warehousing and distribution. Foreign-Trade Zones offer unique financial savings opportunities that will be discussed.
